*Aspen's Dining Guide*

A new, dynamic bb's hits the night scene this winter. After three years as a successful breakfast, lunch, and dinner venue, the restaurant has transformed its format. The bb's team is putting all its energy into dinner service, offering 28 globally-inspired small plates as well as several traditional entrees.

Executive Chef Katie Lorenzen-Smith serves up dishes such as Black Truffle Risotto Cake, Truffled Lamb Meatballs, Citrus Pork Belly, Green Papaya Salad, and Kobe Beef Tartare. The "Simply Prepared" single entrée section offers several options, including Whole Roasted Bronzino, Grilled 14-oz. Ribeye, Roasted Half Chicken.
