Summer 2014

What an amazing journey it has been since we launched eatAspen.com in 2007. To think, at first we just wanted a true Aspen dining resource to satisfy our own cravings for a great meal and now eatAspen.com is everyone's go-to guide. We love to hear that!

Thank you for your support along the way. Remember, this is just a quick reference, visit us online for menus & more.

Good eats,
Dean & Katrina

Re-Use this Guide!

Please pass it along or leave it for someone else.

bb's has a lot to talk about this season! Beloved Chef Matt Zubrod now heads the kitchen, bringing fresh, classic cuisine with a twist to lunch and dinner. Lunch service returns for the summer, allowing diners to enjoy the gorgeous patio all day. The menu features small plates, large plates, a raw bar and a bar menu. At bb's, Zubrod will serve up dinner dishes such as Hamachi Sashimi on Salt Brick, Kale and Brussels Salad, Colorado Striped Bass and Flat Iron Steak with Watercress, Artichoke, Tomato & Fingerling Potato Salad. The lunch menu includes Pulled Chicken-Cherry Salad, Kale & Quinoa Caesar, Farm Fresh Egg Omelet, The MZ burger, and much more! The focus at bb's is on interesting, fun, sophisticated dining. Come taste the passion!
