- All foods must be prepared in a licensed facility and properly transported to your booth.
- Anyone serving food at the event is required to have a Colorado retail food service license.
- All Mac & Cheese must be kept at the proper temperature (135 degrees F or hotter).
- Any leftover Mac & Cheese at the event will not be saved or reused at a licensed facility, it should be thrown out.
- Only serving utensils will be used at the booth. There will be no direct contact with food.
- You are responsible for the overall cleanliness and food safety of your booth. Keep food off the ground and in covered containers.
- You are responsible for ensuring that all of your equipment, utensils and supplies are properly cleaned and sanitized before, during and after the event.
- Hand washing facilities will be located at the event.
- Please do not dump any waste in the street. All waste must be properly disposed in the event trash bins, which will be located at the event.

RELEASE: I have read, understand & agree to comply with the guidelines listed above.
